

# Mystery Monday #9

Let's begin ~

Closer tab ~

- \*With wrong sides together, fold long edge of tab rectangle to meet in the center of tab. Fold in half and Press.
- \*Straight stitch both long sides of tab.
- \*Fold both sides of tab up to form closure tab.
- \*Stitch across triangle tip.
- \*Pin closer tab to center of back of bag.

Note~ You will need a button to sew on the front of the bag next week. You can use a 1 ½" button of your choice or you can use a 1 ½" covered button. Follow the instructions on the package and cover with one of the fabrics you used on your bag. I love covered buttons.

Part #10
